**SUMMARY OF INTERVIEW UNDER 37 CFR §1.133**

Sir:

On May 12, 2004, Examiner Marx telephoned the office of the undersigned and indicated that she would allow the pending claims if certain changes were made to the claims. The suggested changes were reviewed and on May 17, 2004, I called the Examiner and after a short discussion of the proposed changes, authorized the changes to be made in an Examiner's Amendment. The Examiner's Amendment mailed with the Notice of Allowability accurately reflects the changes agreed to. No other issues were discussed during the interview.

Please grant any extensions of time required to enter this Summary Under 37  
CFR §1.133 and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,
